# UTTRAKHAND — India's Next Agri-Tech Growth Hub"

- Uttarakhand is emerging as North India's new center for sustainable agriculture and innovation.
- Haridwar, with its strong agro base and growing infrastructure, offers a gateway for agri-tech brands and investors to expand in the Himalayan region.
- The Future Farm Expo 2026 brings together farmers, agri-machinery manufacturers, irrigation experts, and government departments — all under one roof.
- Showcase your farm technologies, automation tools, water management systems, and crop solutions to a highly targeted audience.
- Build partnerships, explore dealership opportunities, and tap into one of India's fastest-growing agri markets.
- Your innovation deserves visibility — Haridwar is where it will grow!
